Item 8.01 Other Events

As a result of transactions on August 14-15, 2007, Charles E. Harris, our Chairman and Chief Executive Officer, has increased his ownership in the Company by 1,071 shares. Pursuant to a 10b5-1 plan entered into on May 16, 2007, Mr. Harris exercised and sold 33,334 non-qualified options that he had held to purchase common stock. The 33,334 shares were purchased from the Company through exercise of those options for a total of \$337,007. Those 33,334 shares were sold in the open market for gross proceeds of \$357,595, minus commissions and Federal Insurance Contributions Act (FICA) of \$1,998, for net proceeds of \$18,590. The Company withheld from those net proceeds \$7,506 for taxes triggered by the exercise of those options, leaving \$11,084 in net proceeds from the exercise of those options and their sale in the open market. Mr. Harris utilized all of those net proceeds to exercise 1,071 vested non-qualified stock options, and to provide for \$252 for the taxes triggered by such exercise. Proceeds to the Company from these transactions were \$347,835. Mr. Harris retained no cash proceeds from these transactions.
