(b) 7 N. Willow Street, Suite 4B, Montclair, NJ 07042

(c) Not applicable.

(d)(e) In the last five years, the Reporting Person has not been convicted in a criminal proceeding (excluding traffic violations and similar misdemeanors) or was a party to a civil proceeding of a judicial or administrative body of competent jurisdiction and as a result was or is subject to a judgment, decree or final order enjoining future violations of, or prohibiting or mandating activities subject to, federal or state securities laws or finding any violation with respect to such laws.

Item 4. Purpose of the Transaction.

(a)-(j) The shares of Common Stock were acquired by the Reporting Person for investment purposes. The Reporting Person has long had a thesis that, once unencumbered with non-core, less-profitable assets, the Issuer's cloud business and its free cash flow characteristics should allow the Issuer to unlock value for all of its stakeholders. With the recent announcement of the Issuer's sale of its non-core messaging and NetworkX assets, the Issuer is now a pure-play cloud company with expected favorable financial performance metrics and free cash flow generation. The Reporting Person commends the management and Board of Directors of the Issuer (the "Board") on this decision to sell the non-core assets as part of its ongoing strategic alternatives process and to position the Issuer as a cloud-only business.

The Reporting Person also commends the Issuer on the appointment of Kevin M. Rendino to its Board. The Reporting Person believes Mr. Rendino's 35+ years of public markets experience will complement the skill sets of the current members of the Board as well as the management of the Issuer. The Reporting Person believes the management team of the Issuer has done an exceptional job of delivering very favorable results that public market investors have, for the most part, ignored. The Reporting Person is excited to help the Issuer in any way it can with regard to communicating what it believes is an exciting new story and to making this into a winning investment for all stakeholders.

The Reporting Person intends to review its investment in the Issuer on a continuing basis and in connection therewith, and, as a result of this appointment at 9:27 a.m. on December 4, 2023, the Reporting Person may discuss with the Issuer ways in which shareholder value may be increased, which may include discussions regarding the assets, business, strategy, financial condition and/or operations of the Issuer. The Reporting Person may consider, explore and/or develop plans and/or make proposals (whether preliminary or firm) with respect to, among other things, potential changes in, the Issuer's operations, management, organizational documents, the composition of the Board, ownership, capital or corporate structure, dividend policy, and strategy and plans of the Issuer, as well as a potential strategic review or sale process involving the Issuer or certain of the Issuer's businesses or assets. The Reporting Person intends to communicate with the Issuer's management and Board about a broad range of operational and strategic matters (including the matters set forth above) and to communicate with other shareholders or third parties, including potential acquirers, service providers and financing sources regarding the foregoing. The Reporting Person may exchange information with any such persons pursuant to appropriate confidentiality or similar agreements.

Based on the availability of securities of the Issuer at prices that would make the purchase or sale of such securities desirable, the Reporting Person may endeavor (i) to increase or decrease its position in the Issuer through, among other things, the purchase or sale of Common Stock and/or other equity, debt, derivative securities or other instruments that are convertible into Common Stock, or are based upon or relate to the value of the Common Stock or the Issuer (collectively, "Securities") on the

open market or in private transactions, including through a trading plan created under Rule 10b5-1(c) or otherwise, on such terms and at such times as the Reporting Person may deem advisable and/or (ii) to enter into transactions that increase or hedge its economic exposure to the Common Stock or other Securities without affecting the Reporting Person's beneficial ownership of the shares of Common Stock or other Securities. In addition, the Reporting Person may, at any time and from time to time, (i) review or reconsider its position and/or change its purpose and/or formulate plans or proposals with respect thereto and (ii) propose or consider one or more of the actions described in subparagraphs (a) - (j) of Item 4 of Schedule 13D.

Other than the discussion above, the Reporting Person does not have any other present plan or proposal which would relate to or result in any of the matters set forth in subparagraphs (a)-(j) or Item 4 of Schedule 13D except as set forth herein or such as would occur upon completion of any of the actions discussed herein.
