180 DEGREE CAPITAL CORP. NOTES ITS PORTFOLIO COMPANY, SYNCHRONOSS TECHNOLOGIES, INC., ANNOUNCED RECEIPT OF CARES ACT TAX REFUND

180 Degree Capital also notes continued positive momentum from its portfolio holdings and that it remains very optimistic shareholders will approve its proposed business combination with Mount Logan Capital Inc.

Montclair, NJ – July 28, 2025 – 180 Degree Capital Corp. (NASDAQ: TURN) (“180 Degree Capital”) today noted the recent announcement by its portfolio company, Synchronoss Technologies, Inc. (“SNCR”), that stated SNCR received \$30.2 million of its \$33.9 million tax refund, and that SNCR expects the remaining \$3.7 million to be received prior to Labor Day 2025. SNCR noted in its press release that:

“Seventy-five percent of the total proceeds from the refund, totaling approximately \$25.4 million after the receipt of the final payment, will pay down a portion of the \$200 million term loan facility at par pursuant to the terms of the Credit Agreement. This will result in an annual interest savings of approximately \$2.9 million at the current interest rate. After the payments have been applied to the term loan, [SNCR] will have total debt of \$173.4 million, cash of approximately \$30 million and net debt of approximately \$143 million. [SNCR] has reduced its total debt by over \$100 million dollars over the course of the last 4 years. Additionally, [SNCR] expects to be eligible for a one-time 50-basis point interest rate step down on the first anniversary of the term loan pursuant to the terms of the Credit Agreement based on the improved debt leverage ratio.”

180 Degree Capital owns approximately 890,000 shares of SNCR directly¹, and Kevin Rendino, 180 Degree Capital’s Chief Executive Officer, is a member of SNCR’s board of directors. His appointment to SNCR’s board was by invitation after constructive engagement between 180 Degree Capital and SNCR’s management and board and was not subject to any agreement between the two companies.

“We would like to congratulate the management team of SNCR, and in particular the finance team led by its CFO, Lou Ferraro, for this positive announcement,” said Mr. Rendino. “The receipt of this long-expected cash materially strengthens SNCR’s balance sheet and reduces interest payments that allow for direct accretion of value to common stockholders. We could not be more excited about the future path and opportunities for SNCR, and once again congratulate management on this milestone. This milestone also accretes to the benefit of 180 Degree Capital’s stockholders through the increase in value of 180 Degree Capital’s holdings of SNCR’s common stock and continues the theme of our goal to maximize net asset value through the growth in value of our portfolio companies heading into the completion of our proposed all-stock merger with Mount Logan Capital Inc. (“Mount Logan”) (the “Business Combination”).”

Daniel Wolfe, President of 180 Degree Capital continued, “As we mentioned in our press release on July 9, 2025, and on our shareholder update call on July 15, 2025, the third quarter of 2025 started off and has continued to be positive with regard to our portfolio holdings. Our total gross performance of approximately +22.8% and estimated growth in net asset value per share (“NAV”) of approximately +10% year-to-date in 2025 continues to significantly outperform the Russell Microcap Index total return of +4.8%. As of the close of the public markets on Friday, July 25, 2025, our net asset value per share (“NAV”) is currently estimated to be approximately \$5.10.² If we were closing the proposed Business Combination today, 180 Degree Capital’s shareholders would own more than 40 percent of the combined company.”

Mr. Rendino concluded, “We remain very optimistic that our shareholders will approve the proposed Business Combination and that we will be able to close the transaction shortly thereafter. Please contact us at the email address or phone number below if you own shares of 180 Degree Capital, but have yet to receive your proxy materials via email or mail, and we will work with our vendors to make sure you receive these materials quickly. In the meantime, we will continue to work to maximize shareholder value that we believe can be the floor for future growth for the post-Business Combination company. Please feel free to also contact us at any time to discuss any questions or if we can be of assistance in facilitating the collection of votes.”
