#### Employee Benefits

The Company's 1988 Stock Option Plan and all outstanding stock options were canceled as of December 31, 1997. As a substitution for the 1988 Stock Option Plan, the Company adopted an employee profit sharing plan.

As of January 1, 1998, the Company began implementing the Harris & Harris Group, Inc. Employee Profit Sharing Plan (the "Plan") that provides for profit sharing equal to 20 percent of the net realized income of the Company as reflected on the statement of operations of the Company for such year, less the nonqualifying gain, if any. Under the Plan, net realized income of the Company includes investment income, realized gains and losses, and operating expenses (including taxes paid or payable by the Company), but it will be calculated without regard to dividends paid or distributions made to shareholders, payments under the Plan, unrealized gains and losses, and loss carry-overs from other years ("Qualifying Income"). The portion of net after-tax realized gains attributable to asset values as of September 30, 1997 will be considered nonqualifying gain, which will reduce "Qualifying Income."

As soon as practicable following year end, the Board of Directors will determine whether, and if so how much, "Qualifying Income" exists for a plan year, and 90 percent of the Qualifying Income will be paid out to Plan participants pursuant to the distribution percentages set forth in the Plan. The distribution amounts for each officer and employee is as follows: Charles E. Harris, 13.790%; Mel P. Melsheimer, 4.233%; Rachel M. Pernia, 1.524%; and Jacqueline M. Matthews, 0.453%. If a participant leaves the Company for other than cause, the amount earned will be accrued and paid to such participant, and the remaining amount allocable under the Plan will be redistributed by the Compensation Committee and paid to the other participants.

Notwithstanding any provisions of the Plan, in no event may the aggregate amount of all awards payable for any Plan year during which the Company remains a "business development company" within the meaning of the Investment Company Act of 1940, as

11

amended (the "1940 Act"), be greater than 20 percent of the Company's "net income after taxes" within the meaning of Section 57(n)(1)(B) of the 1940 Act. In the event the awards exceed such amount, the awards will be reduced pro rata.

The Plan may be modified, amended or terminated by the Board of Directors at any time; provided however, no such modification, amendment or termination may adversely affect any participant that has not consented to such modification or amendment.

As of January 1, 1989, the Company adopted an employee benefits program covering substantially all employees of the Company under a 401(k) Plan and Trust Agreement. Contributions to the plan are at the discretion of the Company. During 1997, contributions to the plan charged to operations totaled approximately \$37,000.

On June 30, 1994, the Company adopted a plan to provide medical and health insurance for retirees, their spouses and dependents who, at the time of their retirement, have ten years of service with the Company and have attained 50 years of age or have attained 45 years of age and have 15 years of service with the Company. On February 10, 1997, the Company amended this plan to include employees who "have seven full years of service and have attained 58 years of age." The coverage is secondary to any government provided or

subsequent employer provided health insurance plans. Based upon actuarial estimates, the Company provided an original reserve of \$176,520 that was charged to operations for the period ending June 30, 1994. As of December 31, 1997 the Company had a reserve of \$232,415 for the plan.

#### Compliance with Section 16(a) Beneficial Ownership Reporting Compliance

Based solely on a review of the forms furnished to the Company, or written representations from certain reporting persons, the Company believes that except for late filings of Form 4's by Dr. C. Wayne Bardin and Mr. Jon J. Masters in connection with a purchase of shares and a late filing of Form 5 by Charles E.
